

Bloomington/Normal Area TEC Presenting Team Application

By completing this form, you are offering a time commitment to attend nine team meetings prior to the TEC weekend and to be at the location and fully commit to TEC from Friday evening to Monday evening, including overnights. Team members are also asked to contribute towards the cost of the weekend. If you are unable to make such a commitment at this time, please do not complete the application. This would simply mean, "Christ is Counting on You" in other ways to support the faith community that keeps the area TEC movement alive. Check out our website for the many ways to help serve Our Lord. www.bntec.org

Signed: _____ Date of application: _____
